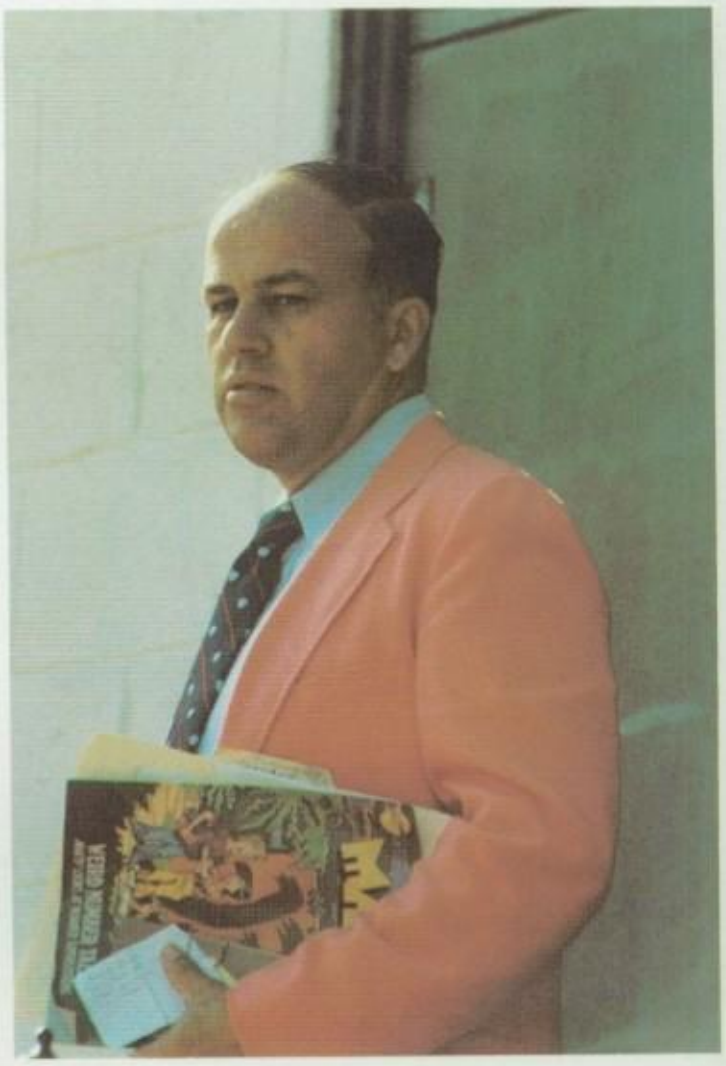
The 1985 Salmagundi is dedicated to a man who is not only a faculty member, but our friend as well. He plays a very special role in our lives at Morristown-Beard. He is a man who goes beyond the duties of his job and is seen in the eyes of the students as a person who will understand, console, and above all, listen. As Athletic Director he continuously supports us in our athletic endeavors and inspires us to put forth our utmost effort. His ability to relate to the students is greatly appreciated and will never be forgotten.

We, the Class of 1985, dedicate our yearbook to Mr. Spike Billings with all the love and caring he has shown us.



"To brag a little, to lose well, to crow gently if in luck, to pay up, to own up, to shut up if beaten, are the virtues of a sporting man."

PHILIP L. ANDERSON

The busines of education should be fun— the fun from knowing you are a part of something good, belonging to a group, knowing that people care about you, want to be with you, like you, love you. The fun may come in many ways; it might come from being involved in athletics, playing on a team, getting involved in music or art or drama, the yearbook, student government, the newspaper, computers—I don't care if its tiddledywinks, as long as you become involved. No matter what it is, if you work at it, you will succeed- success brings confidence, and confidence makes you feel good about yourself, and it bubbles over into all that you do here.

Knowing that you have worked hard and that you have achieved is the greatest form of self-esteem, self-satisfaction. That is what I want for all of you. Happy people produce, unhappy people don't.

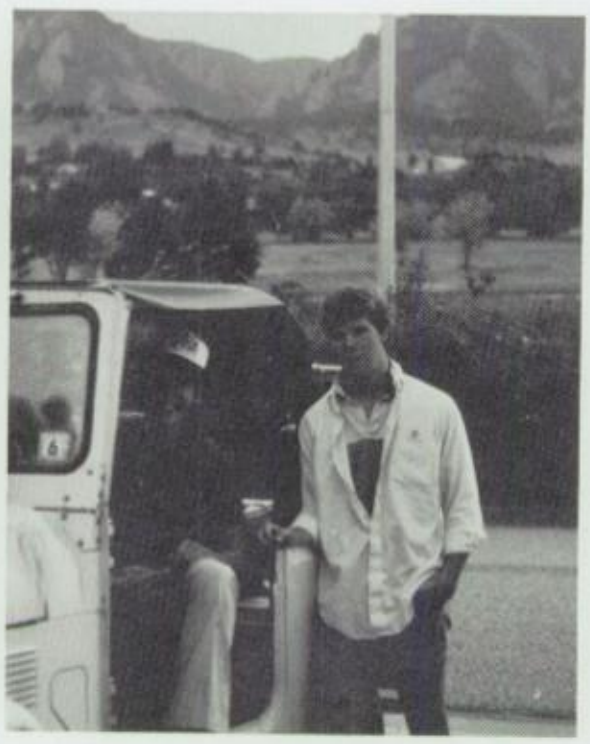
RICHARD PATRICK BEATTIE



'Upon this battle depends the survival of Christian civilization.
Jpon it depends our British, and the long continuity of our
nstitutions and our empire. The whole fury and might of the
nemy must very soon be turned on us, Hitler knows that he will
ave to break us in this island, or lose the war. If we can stand up
o him, all Europe may be free and the life of the world may move
orward into broad, sunlit uplands. But, if we fail, then the whole
vorld including all the United States, including all that we have
nown and cared for, will sink into the abyss of a new dark age,
nade more protracted, by the lights of perverted science.
et us therefore brace ourselves to our duties and so bear ourselves
nat, if the British Empire and its commonwealth last for a rousing
ears, men will still say, 'This was their finest hour.'"

"You are always my friend
When I am happy or sad
When I am alone or with people
If I talk to you today
Or in a year.
You are always my friend
And through the years
I will change, but it
Doesn't matter what I do
Throughout my lifetime
You are always my friend.

n September, the yearbook seemed an insurmountable task. However, due to the quality of the Editors and their taffs, and the incredible, stupendous, invaluable, fantastic, outrageous, funky, and colossal advisor Mrs. Joan Sowa, he yearbook was almost a cinch.

Editor Pamela Rothpletz provided the outstanding leadership and spirit which motivated the staff to create a truly nemorable book. This year's Salmagundi is the result of the efforts of many talented people. Photography Editor Colin Browning produced numerous excellent photographs after long and taxing hours behind the lens and in the arkroom. The cover and endsheets were the work of Paul Hawkins and Mike Sowa. Much credit must be given to Art Editor Leslie Kress who was assisted by Kathy Jacobus in creating the section divider pages. One of the most rduous tasks was most ably performed by Senior section editor Jackie Mazarella who orgnized, pleaded, cajoled, nd threatened the seniors into providing candid pictures and write-ups. Sports Editor Rich Seabury spent many ours coordinating his section and badgering coaches for information. The task of presenting the year in photos and opy was assigned to Stephen Quick, who produced a section which reflects the community of MBS with sensitivity nd humor. Faculty, underclassmen and activities were all ably covered by Suzi Burroughs, Jill Randolph, and Karen Doerner. Production Editor Missy Depp performed invaluable service by working on each section when help vas needed. Finally, Business manager Scott Rapoza mounted an ad campaign which successfully generated the unds to pay the bills.

Much credit goes to all the staff members who made the steep climb to the fourth floor to help in the production f this book.

STUDENT GOVERNMENT

The Student Government represents our students. Through the student government activities, students participate in social, academic, and citizenship experiences that will enrich their lives as students and as adults. Student Government members themselves develop responsiblity in the school and the community as they plan and carry out programs and deal with responses of the students they represent.

AMERICAN FIELD SERVICE

This year, AFS was not fortunate to have a foreign exchange student visit with us for the entire year. We continued this year with the sponsoring of the ski trips. In the beginning of the year, we had an AFS dinner which enabled us to get acquainted with many students from foreign countries who are here in the U.S. to go to school for the entire year. AFS also sponsors trips that can be taken in the summer. This past summer, Ross Nowak stayed with a family in Greece and learned a great deal from his Greek family. AFS is great experience as well as a lot of fun.

PEER GROUP

Peer Group is a family of fourteen juniors and seniors brought about to help the seventh graders adjust to their new life at Morristown Beard.

In late August, Peer Group began with a retreat to Princeton Educational Center at Blairstown. We went through a series of problem solving obstacles together, one of our favorite being the Alligator Trap, and we learned about a group of dynamics through games and exercises. The two days of living and working together made us trust and care about one another.

Co-Leaders researched and wrote reports on certain topics, such as suicide, drug abuse, runaways, and depression. They were all informative and were presented to the class as a whole.

Peer Group was not only fun, but educational to all involved, including our advisor, Ms. Hartman.

We were a young team this year, with all but one member of our championship team having graduated last June. The new members learned a lot, greatly enjoyed the experience, and are eagerly awaiting the 1985 competition.

VARSITY SOFTBALL

Coach Spike Billings with Co-captains Anne Dodsworth and Bonnie Jenkins

It was a surprisingly good season for the girls' softball team, which was a fine blend of "veterans" and newcomers this year.

The girls worked and played well together and put in extra effort to come away with a successful winning record of twelve and three. Of special note were the award winners for this year; Most Valuable Player, Anne Dodsworth; Coach's Award Sarah Sommers; and Most Improved Player, Andrea Smith.

It wasn't all work; there was plenty of fun with Coach Spike Billings and Assistant Laurie Hartman - especially those away games.

All in all, it was a great season and all of the graduating seniors; Bonnie Jenkins, Anne Dodsworth, Jill Kronfeld, and Sue Roper will be missed.

Kneeling: Kathy Frazier, Suzanne Roper, Bonnie Jenkins, Anne Dodsworth, Jill Kronfeld, Shari Greenwald.
Standing: Coach Billings, Andrea Smith, Sarah Sommers, Cale Barrett, Jackie Mazarella, Chris Solar, Vanna Kay Harvin, Coach Hartman.

VARISTY BASEBALL

Coach Looney with Captains Dan Timlin, Jay Gorman, and Ralph Cestone

We tried to get by this year with inexperienced pitching. Paul Hawkins, Mark Goggin, Nolan Dionisio, and Chris Bauer will be returning next season which will help us in this department.

Highlights this year were Ralph Cestone's Varsity pitching debut where he lost a close decision to Blair Academy, 5-4. We lost in the bottom of the 7th. Ralph pitched an excellent game and the rest of the team played well.

The team played well but couldn't put it together. I'm looking forward to having the returners back next year.

Seated: Mark Goggin, Chris Elias, Tom Vogel, Pat Beattie, Eli Curie, Chris Bauer. Standing Manager John Lynch, Statistician Jodi Orloff, Dan Timlin, Steve Heard, Pat Burke, Pete Johnson, Ralph Cestone, Jay Groman, Coach Looney.

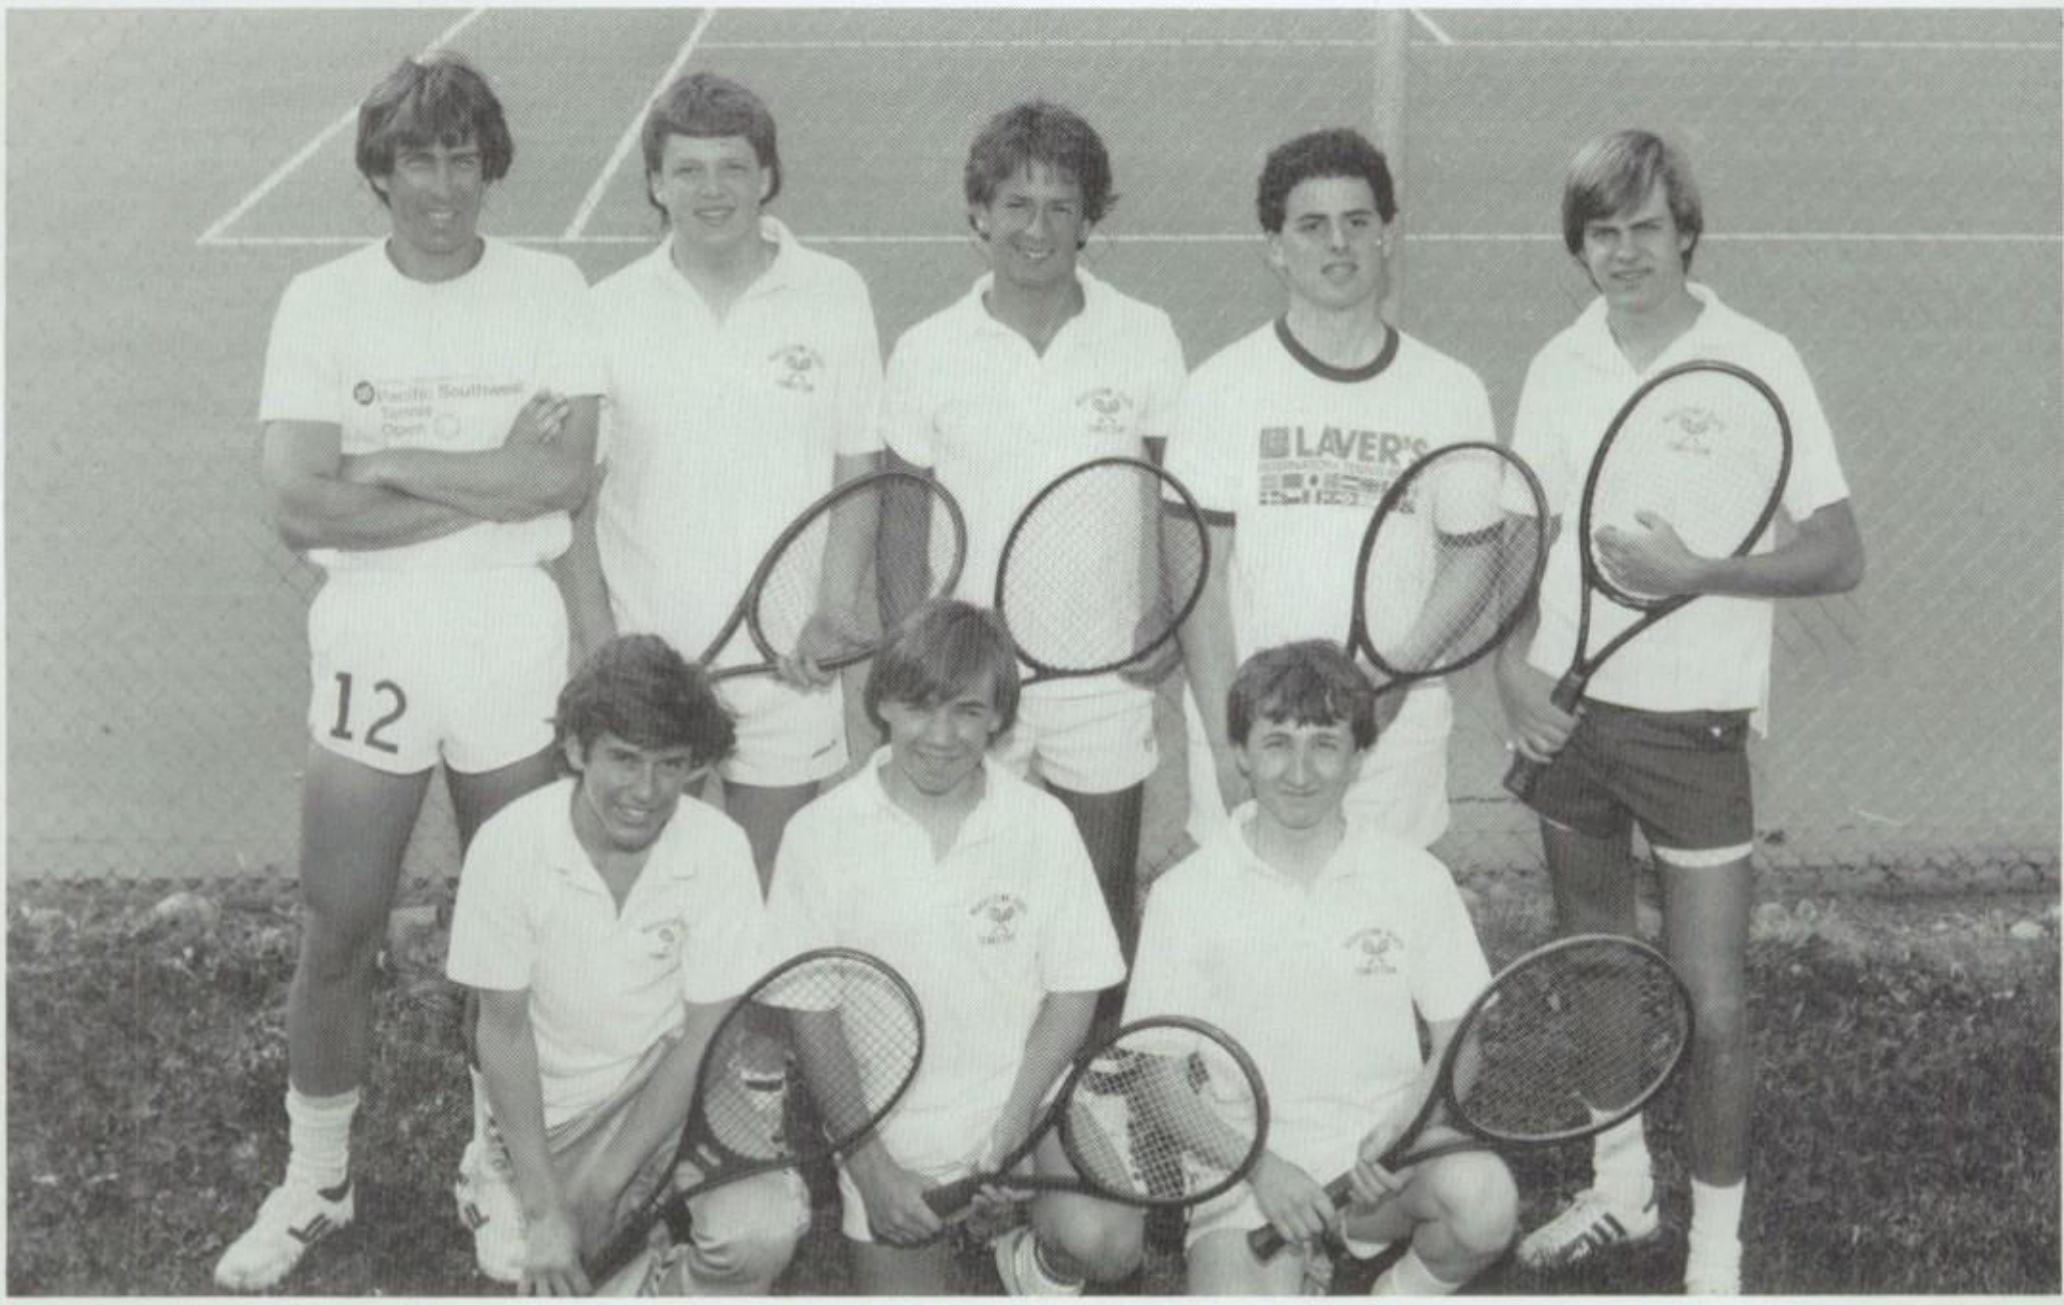
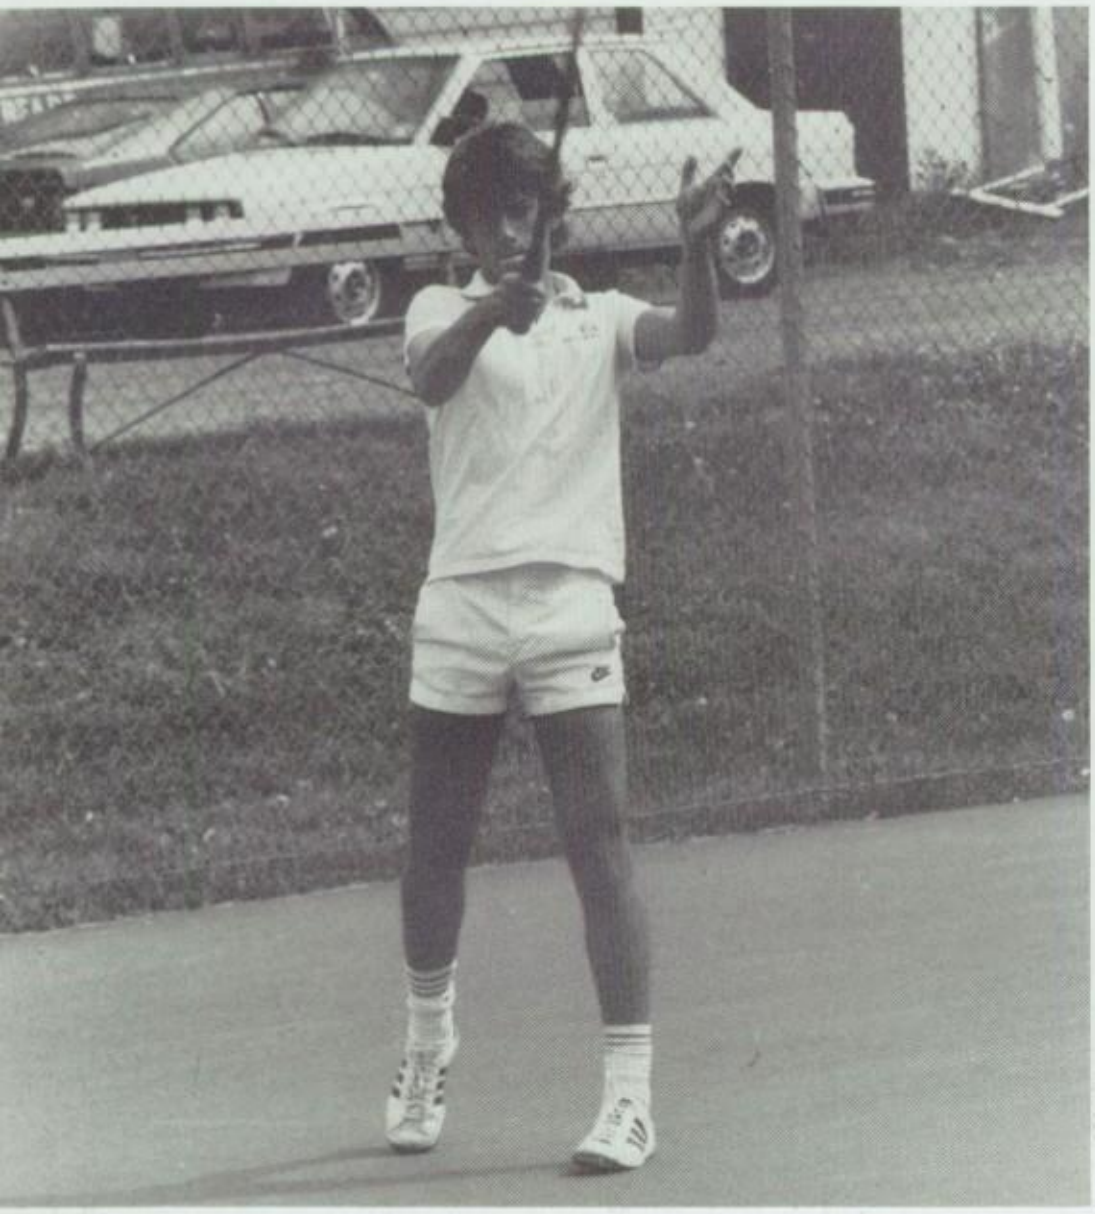
BOYS TENNIS

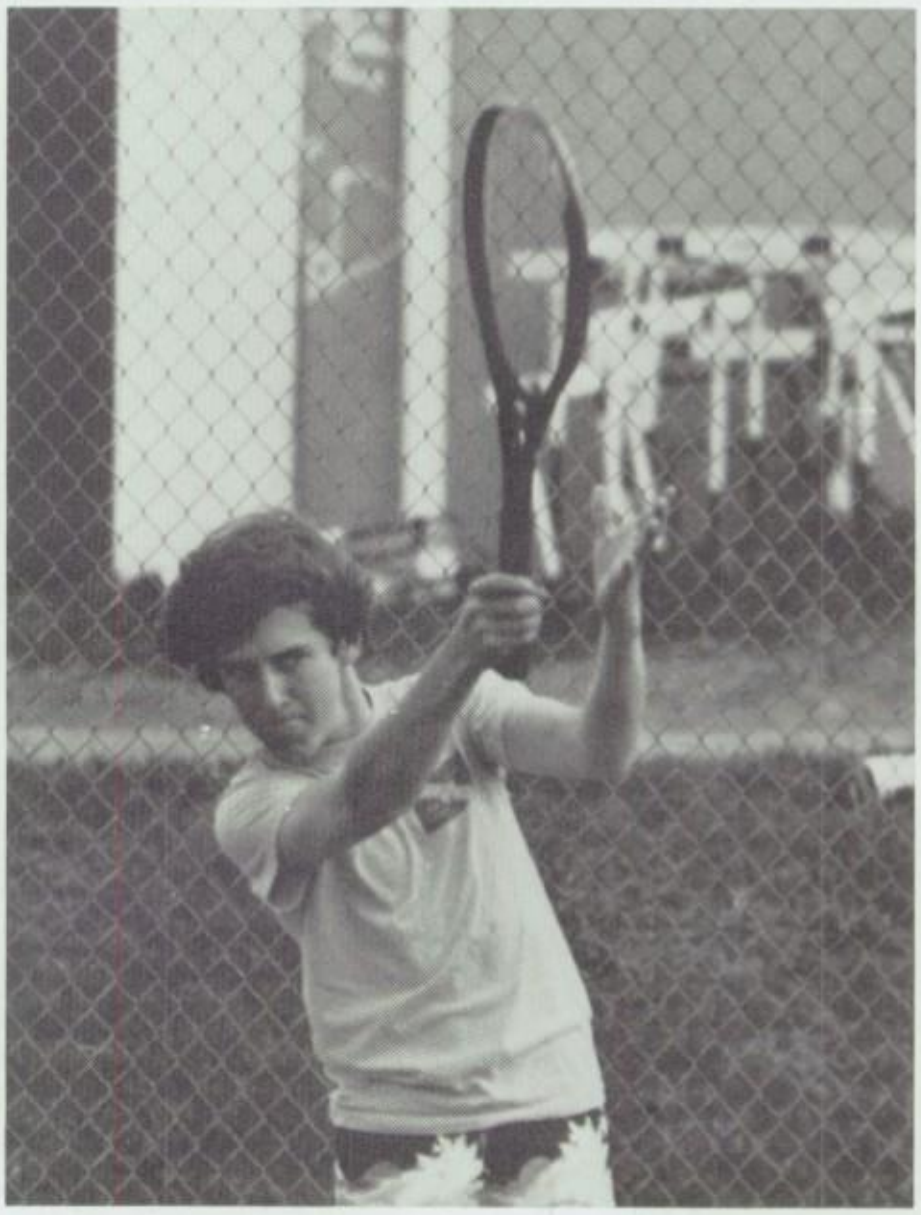
Captain Steve Tannenbaum

The 1984 Boys Tennis Team had an up and down season. We began the year slowly with a couple of losses, but were able to improve our record to 5-4 by mid-year. With strong performances from Steve Tanenbaum at no. 1 and Mike Weiner at no. 2 singles the Crimson finished at 6-9. Steve Tanenbaum made it to the semi-finals of both the state and county tournaments. The lineup included: First, Steve Tannenbaum; Second, Mike Weiner; Third, Bill Halsey; at first doubles, Brett Michel and Steve Newman, and finally at second doubles, Greg Ostrowski and Larry Edson.



Kneeling; S. Newman, L. Edson, B. Michel. standing; Coach Franz, G. Ostrowski, S. Tannenbaum, M. Weiner, B. Halsey





LACROSSE

Coach Anastos, Merrill Chapman, Coach Brower

This was the first year MBS offered girl's lacrosse. When a sport is introduced to a school, the new team is expected to lose *all* of its games during the first season. Surprisingly, girls' lacrosse was an exception to this rule.

During our season, we developed a strong sense of how the game should be played, and worked hard on the basics of throwing, cradling, catching, pick-ups, and shootings. Through concentration on these basic skills, we were able to defeat the only other first-year team we played, Pingry. We also defeated Rutgers Prep in the first round of the state tournament.

Kim Brower led the team offensively with 51 goals and 11 assists. She was often ably assisted by Gladden Adam, Laura Little, and Louise FRitts.

Defensively, Merrill Chapman and Terri Bigio worked hard to keep opponents away from our goal tender, Inge Schlatte,

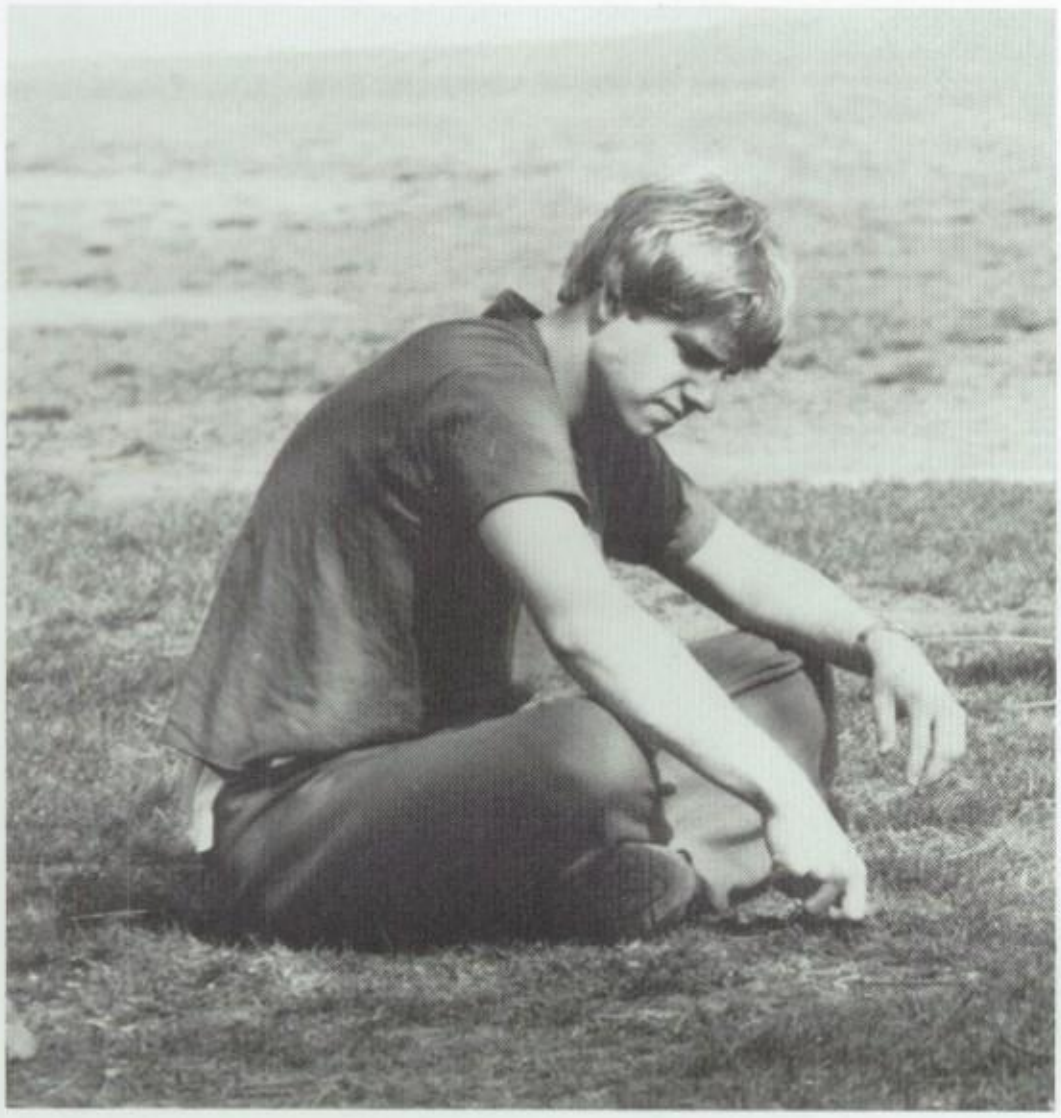
TRACK AND FIELD



Quarter-miler, Senior Dan Dooley

The track team finished its season with a record of 2 wins and 3 losses. Due to poor weather several meets and many practices were cancelled.

Despite a disappointing record we had many fine performances throughout the season. Amoung them were Adam Diglio's 15.7 110 HH and 18'8" in the long jump. Our 4 mile relay team placed 2nd at the Newark Invitational. Members of the team were Mike Sowa, George Holland, Kevin Barry and Dan Sparling. Our distance runners dominated the distance races in our conference meet. George Holland and Dan Sparling placed 1st and 2nd in the 1600, and Mike Sowa, Dan Sparling, and George Holland placed 1st, 3rd, and 4th in the 3200.

With the loss of only 3 seniors from this years team the 1985 squad should be a strong one. With the nucleus of the team returning perhaps we can improve on this years record and turn in even more outstanding performances.

Captain Scott Sommer with Coach Looney

This season turned out to be a very good one for the team. We had six underclassmen in the starting lineup and we played a tougher schedule. We added Oratory Prep, Bayley Ellard, and Pennington to our line-up of opposing teams.

All of the younger players added to the backbone of the team and helped us to tie Newark Academy, conference champs and states finalists.

Seniors Mike Kearns and Scott Sommer provided the leadership for this years team, and junior Mark Goggin headed up the defense. Junior Hans Becke led the team in scoring with ten goals. All-State "B" Award winners on the team included Scott Sommer, Hans Becke, Mike Kearns, Bill Halsey, Ted Girard, and Craig Rapoza.

CHEERLEADING

Captain Barbara De La Cruz and Coach Hartman.

Hoarse voices, jumps, stretching, pulled muscles and hours and hours of hard training made up the Fall season for the M.B.S. Football and Soccer Cheerleaders.

Eight new girls dared to take on the challenge, and with their great addition our squad and season was bound to be successful.

The Cheerleaders attended all the football games and all home soccer games, even traveling to Pennington on their "vacation" day for the State Soccer Tournament. Filled with spunk and enthusiasm, they were always there to boast the spirits of the athletic teams.

During Homecoming they performed an intricate dance routine to "Lucky Star" choreographed by sophomore Cara Solimo.

Last, but *never* least, their Coach, Miss Hartman, with all her encouragement, support, and friendship helped to make the season a successful one.

VARSITY CROSS COUNTRY

Coach Andy Gill with Captain Mike Sowa

The cross country team enjoyed another outstanding season under the leadership of Mr. Gill. After a tough loss to rival Chatham Township the team rebounded to finish at 15-1, dominating their prep school opponents. They avenged last years loss to Dwight-Englewood at the Neward Academy Invitational and at the State Championships with strong efforts by Dan Sparling, George Holland, and Mike Sowa. The team retained its N.J. Prep Conference Championship, placed an impressive fourth at the Ridgewood Invitational, and had their best finish ever, 7th, in the very competitive County Championships.

Although the team loses seniors Dan Sparling, Rob Alkhas, and Colin Browning; the prospects for next year still appear bright. George Holland, Kevin Barry, and Mark Sowa will provide important experience and Tom Loosvrock, who set a new Freshman Course Record, should also continue to excel.

VARSITY VOLLEYBALL

Coach Ellis with Co-captains Cale Barrett and Jackie Mazarella.

The M.B.S. Volleyball Team had a very successful season. Captains Jackie Mazarella and Cale Barrett received positions on the All-Stars Team and Whitney Bingham received Honorable Mention. The inexperienced team, with eight out of eleven players new to the sport, had a great deal of determination. They worked on fundamentals, until they gradually developed into strong competitors. The team's quenchless zeal for improvement paid off to win valuable matches. The most notable being against Kent Place who later went on to win the A-Division State Championship. Leading the Varsity's offense was Captain Cale Barrett as the no. 1 blocker and spiker, and Captain Jackie Mazarella as setter and no. 1 server. -The Combination Outstanding- New to the squad this year, Seniors Lisa Tureo and Suzi Burroughs helped bring consistency with their passing, serving, and hits. Junior Joyce Salas gave the team strength on defense and all-around play. Whitney Bingham developed as a strong spiker and server.

VARSITY SKIING

Co-captains Rich Seabury and Scot Rapozawith Coach Sowa.

Skiing was a new sport to MBS this year, and much of the season was devoted to gaining experience. The team made tremendous progress in the six slalom races and one giant slalom race in which they were entered. Nature also was not terribly cooperative, giving us a balmy month of December with no opportunity for on -the -course practice, and then treating us to a sheet of glare ice for our first race. Co-captain Rich Seabury was the only varsity racer to finish that race.

Postponed races and bad weather continued to plague us, but the team made steady progress with an increasing number of qualifiers in each race. Our best team finish of the year was a second in a race in which we beat Newark Academy, last year's division champions. Several members of the team had outstanding races during the course of the season, in particular Andy Graf proved to be the mainstay of the varsity, finishing the last race with a first place run.

In the goal was newcomer David Budd, who did an outstanding job all year.

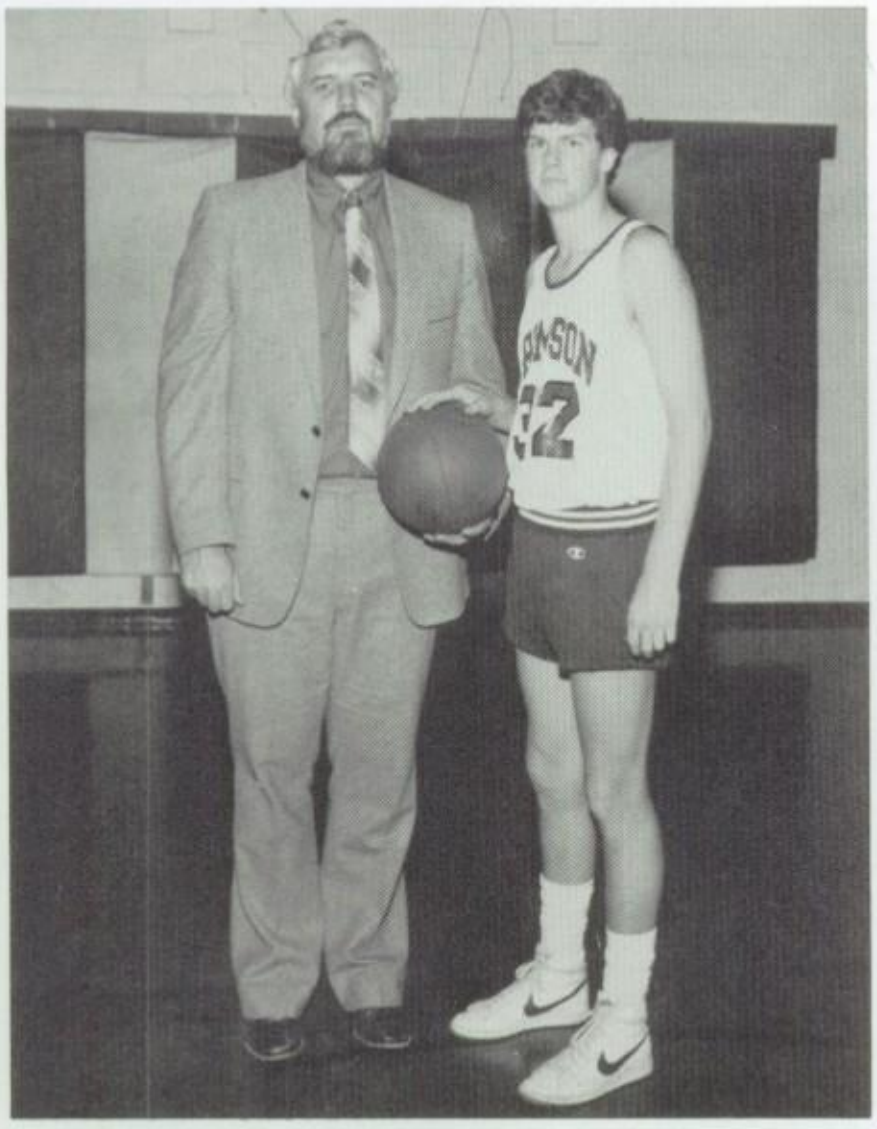
JV BOYS' BASKETBALL



Coach Williams with Captain Austie Rollinson

This was a year of continuous improvement in the J.V. program, which started off with a few lopsided loses and ended with a string of victories and close, heart-breaking defeats. The progress of the team can be seen not only from its six victories, but also from a comparison of games against the same opponent at the beginning and end of the season. The opener was a thirty-point loss to Collegiate while the rematch resulted in only a few-point spread between the two teams.

The success of the team stemmed from the jelling of good individual talent, Andy Becker's rugged rebounding and scoring, Chris Kane's powerful rebounding and fierce drive to win, the speed and defensive ability of Hans Becke, the outside shooting and coolness under pressure of Danny Dolan, and the slick dribbling and playmaking skills of Scott Leightman, all made for a powerful starting team.

All in all, Coach Williams was very pleased with the effort of all of this year's team members, and promises even greater improvement next year.

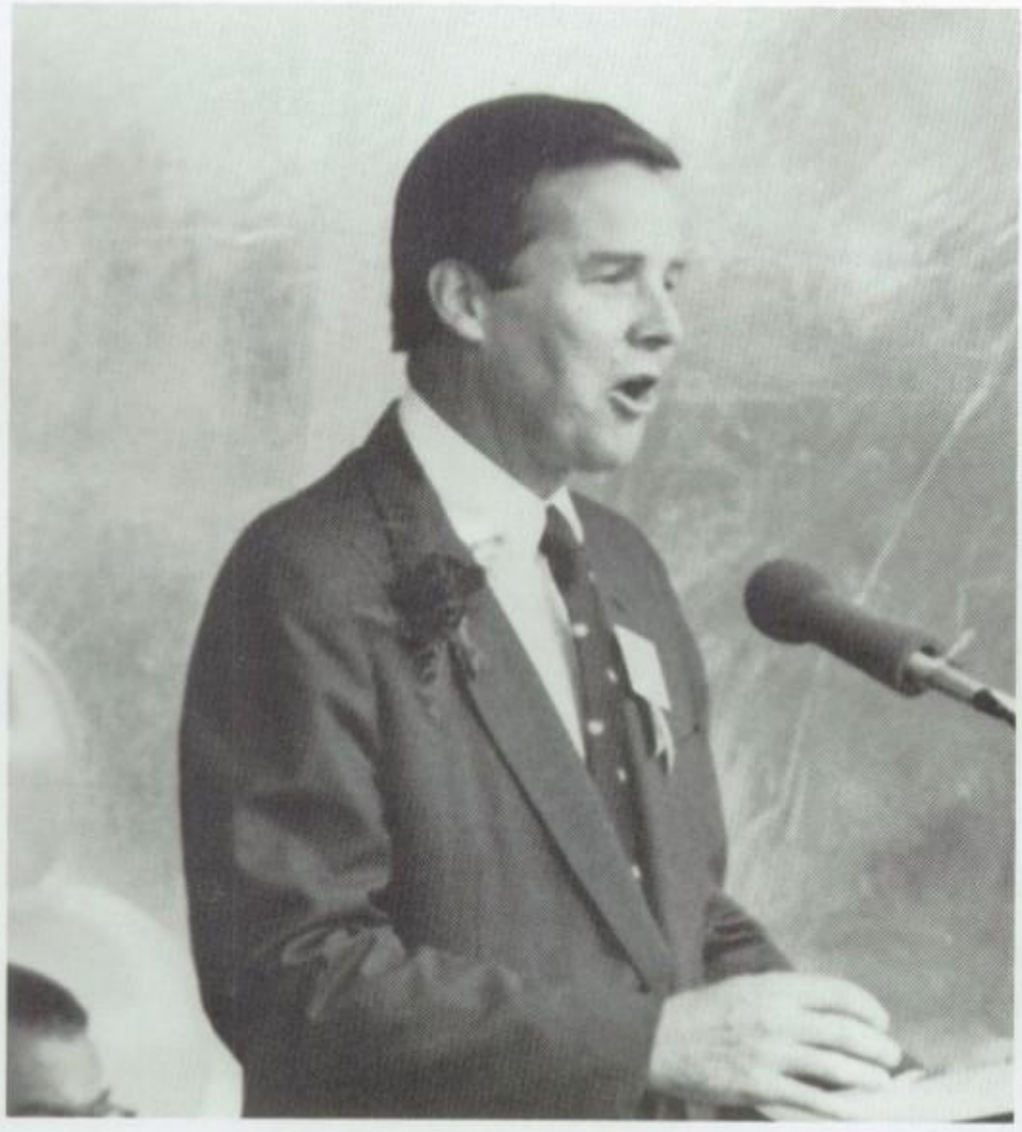
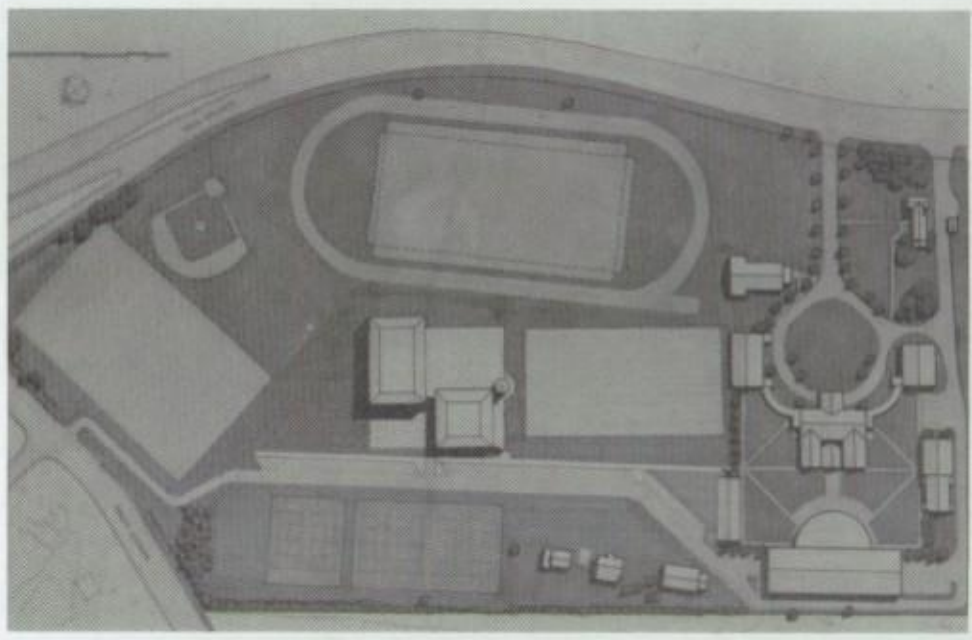
GROUNDBREAKING





On a sunny Saturday morning in September, hundreds of parents, administrators, students, and friends gathered outside the gym of Morristown-Beard School for Groundbreaking. That soccer field is now a hole where the future swimming pool will be. The pool was donated by William W. Rooke just as the new gym (plans lower right) was donated by William E. Simon. These two men spoke during the ceremony as did New Jersey's Governer Kean. Student involvement in Groundbreaking was very widespread: Wendy Howitt ('85) delivered the invocation; Lisa Tureo (Student Council President) participated in the actual "ground breaking"; and numerous other students helped to prepare the lunches. Groundbreaking was a fun day for all and a mark of the school's future completion (plans upper right).

Mrs. Smedley, Mrs Newton, and Mrs. Hoffman - for helping me out when there was a crisis.

Miss Ellis - for encouraging me to join volleyball, I loved every minute of it.

To my girls-

Kathy, Donita, Suzi, Katine, and Lisa! In our modern, technological world the human experience has become more undermined than ever. It is not uncommon to flip on the stereo or TV if it is to avoid interaction with others. However, one person told us that communication, on all levels, is the essence of life. When our race ceases to acknowledge camaraderie as well as individuality, we will stop loving, caring, and listening. I hope that I will never become a victim of this "numb society". I, therefore, take this time to reaffirm that I'm sorry for all those mistakes I have made. I love you, despite what my actions may have said sometimes, and the impact you have had on my life is unequaled.

Forever,
Wendy

To the members of the PAC and people: We have all had a great year of having fun. The money is very nice also. September 29, 1984 was a great time. "No writing on the walls," "Smurf Dive," Pam was even out that night. Steve must be asleep in the car. Break dancing. Rat Castle, (poison.) Traffic jam on Bailly Mills Road, (going towards the barn.) Hockey games, pre-game show, post-game show. "They're coming in flocks." Nobody is leaving,' Mr. B. Road trips to Paul's house. Afternoon hangout of the P.A.C. Must be MG's. Teddy has a purpose. We need money badly. Bank account drained. Trying to cover the deficit. "There is corruption in this government." the chain is at least 1,000 Destination, 6,000 by June. We are leaving now, Mark Goggin, You'd better do a good job as president!!!

Tucker, Bill, Tim, Steve, Mike, Scott

Steve and Tim,

Well we finally made it. We were the three top officials of our own government, but now we have left it to the best person. We have had a lot of good times together, and hopefully we'll have more. I would guess that we all became great friends in the eleventh grade and that's when all the fun started. The trips to the airport were great, the parties at my house , Pursuit, Monopoly, (Tim won only once,) the Smurf Dives, always in debt, and road trips to Paul's house. The chain is getting there. Steve at the pre-game shows. Tim has no sense of direction. N.Y.C. Beefsteak Charlies. Watch out for the step. Kyle is Snuffalaficus. You two are worse than me. Mr. B. Our trip. Topher's house and the Mercedes. Brad and Dave are bad influences on us. 4-wheeling I can't believe Scott doesn't go to our school anymore. All of us plowing. 120 MPH to Paul's. Down to 55 MPH. Tim wants a Scirroco too. I guess the party is moving north now. Thank God it is over!!!

Good Luck,
Tucker

There once was a beautiful flower,
most aromatic yet every delicate.
Day in and day out for years the flower
grew stronger and more precious.
One day the flower's time had come,
and quickly at that.
There was no wilting so that
one could try to prolong the event.
Those who cherished and loved the
flower were greatly saddened.
But as time passed the fragrance of
that flower grew stronger.
Other flowers who had been near this one
were instilled with its beauty.
A little bit of orginal flower was
now in all.
And every once and a while, the faint
fragrance will strike the memory of someone who saw that flower
and that beautiful flower will live on in their hearts forever.

In September of 1984, the Senior Class suffered from the loss of a special friend. Hearing the devastating news of the tragic death of our friend Stephanie Von Auenmueller, made us stop and think. At seventeen years old, none expected death to fall upon someone in our own class, least of all a dear friend.

Stephanie was the one person who would make you laugh and forget all your troubles. When you passed Stephanie in the hall, she would scream your name and you would have to scream back in laughter. Her spirits were always high. She never looked down on anyone, and was willing to give and not only recieve. Stephanie was liked by everyone because of her cheery, bubbly personality.

The Prophet - by Kahill Gibran

When you part from your friend, you grieve not;
For that which you love most in him may be clearer in his absence,
As the mountain to the climber is clearer from the plain.

With love,
Her Friends

Why do we learn so much from the dove after its journey? Perhaps the dove must spread its happiness somewhere else. No doubt, the dove keeps the beautiful smile we saw, Wherever it might roam.

She brought warmness to the entire class, warmness that comes out in everybody when thinking of Stephanie.
